A Professional Development Module  
*Available for credit*

Teacher leaders use culturally responsive and differentiated teaching strategies to respond to students' needs. You will benefit from this module by increasing your repertoire of approaches in order to meet the goals of standards-driven classrooms. You will also gain ideas for supporting colleagues to ensure equity and excellence in every classroom.

### Knowledge

- Describe various instructional strategies that work well for students varying in culture, language, abilities and other characteristics

### Skills

- Analyze the diverse learning needs of a given student population
- Plan, implement and assess varied approaches in response to student differences in a classroom that ensure equity and close the achievement gap
- Exhibit skills of collaboration in work with colleagues to meet the needs of learners from diverse backgrounds and with diverse needs
